

SITE NUMBER: WA-II-979
ADDRESS: 10 Park View, Boonsboro, Maryland
OWNER/LOT NUMBER/ACCESS: private
BUILDING DATE: c. 1920s

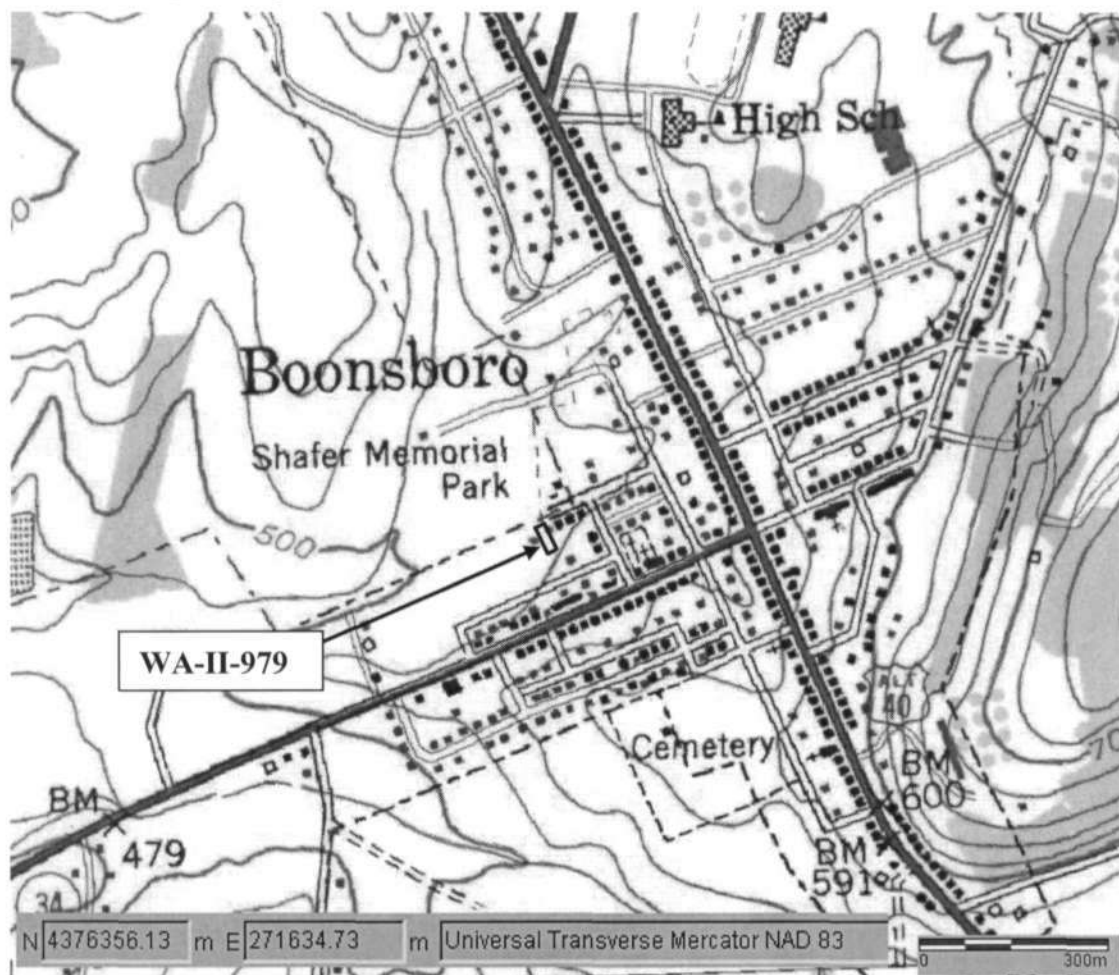

10 Park View is a north-facing, one-and-a-half-story, three-bay, frame, freestanding, residential structure. The building, which is set back from the public-right-of-way, rests on a concrete block foundation. It has a front-gable, artificial roll roof with open eaves, one brick chimney, and a long shed dormer to the east. A hipped-roof porch extends across the facade of the house and protects the east-bay entrance. Fenestration includes double-hung, two-over-one sash windows.

None of the historic maps of Boonsboro show this section of town. However, based on the style of the building, it appears to have been constructed in the 1920s.

The building is within the Western Maryland Geographic Organization, the probable Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture, and Community Planning.
